### LIONHEART BOUTIQUE GUITAR SERIES

L5T-112	5W, class output with 1xEL84 tube and 3x12AX7, handwired boutique, class A 1x12" celestion G12H heritage	5 650.00
L20T-410	20W, class A output from 4xEL84 matched tube, 4x10" combo Jensen P10-R with alnico magnets	8 260.00
L20H	20W head, all tube preamp with 3x12AX7 tubes, 4xEL84, spring reverb, designed for LT212 cabinet	4 910.00
LT212	2x12" celestion heritage G12H drivers for L20H	4 640.00
LT212	2x12" celestion heritage G12H drivers for L20H	450.00

### NEXUS PROFESIONAL BASS AMPLIFICATION

NEXUS TUBE	400W RMS into 2,4 or 8 ohms from a compliment of 8xKT88, 3x12AX7, 1x12BH7	13 950.00
NEXUS FET	The same as nexus tube but utilies MOS-FET output 650W RMS	10 330.00
NX810	8x10"celestion neodymium drivers 1600W(4ohms)/2x800W(each 8 ohms)	11 220.00
NX410	4x10"celestion neodymium drivers 800W(8ohms)	7 010.00
NX115	1x15" celestion neodymium drivers, 400W	3 540.00

### VALVE HEADS

LH50	New head version of LC50	6 650.00
GH50L	50W master volume style head with footswitch 4 to 5 stage gain, selectable FX loop, accepts 6L6/5881 or EL34 output valves via bias switch, factory fitted with EL34	6 120.00
GH100L	100W master volume style head with footswitch 4 to 5 stage gain, selectable FX loop, accepts 6L6/5881 or EL34 output valves via bias switch, factory fitted with EL34	7 170.00
GH100TI	Tony Iommi signature model. Build to Tony specifications for stadium with high gain preamp, factory fitted with EL34	7 360.00
VH100R	100W head with Alliance dual channel preamplifier. Acountronics long spring reverb tank, two independent channels with overdrive, reverb, all footswitchable via the FS4 .Factory fitted with EL34	9 280.00
TT50H	All valve 50W, three channel head.Clean, crunch and lead channels each with independent EQ, volume, bright switch and reverb. Modern switch on crunch and lead channel also has Xpand and boost switches. Groove tube pre(ECC83) and power valves EL34s.Reverb, channels and master volumes fully footswitchable(FS5 included).Midi in,midi thru and midi out 7 pin connections wich support phantom power	8 410.00
TT100H	Same features as above but 100W RMS	9 580.00

### VALVE COMBOS

VC15-110	Class A 30W dual chammel combo. Clean vintage sounds of the 60's with switchable overdrive channel. Fitted with 1x10" celestion drivers	3 730.00 5 310.00
VC30-112	Class A 30W dual chammel combo. Clean vintage sounds of the 60's with switchable overdrive channel. Fitted with 1x12" celestion drivers	5 560.00
VC30-210	Class A 30W dual chammel combo. Clean vintage sounds of the 60's with switchable overdrive channel. Fitted with 2x10" celestion drivers	6 430.00
VC30-212	Class A 30W dual chammel combo. Clean vintage sounds of the 60's with switchable overdrive channel. Fitted with 1x10" celestion drivers	12 840.00
TT100-212	All valve 100W, three channel combo. Clean, crunch and lead channels each with independent EQ, volume, bright switch and reverb. Moderb switch on crunch and lead channels-lead channel	10 510.00
